

Join us Friday August 17th for a FREE and informative session to learn more about WEDnetPA, a grant program created by the Commonwealth of Pennsylvania to empower companies by developing employee skills:

Examples of training topics:

- Microsoft Office Suite
- Communication Skills and Teamwork
- Quality Control and Problem Solving
- Manufacturing Fundamentals: blueprint reading, welding, soldering, tooling, machine setup, maintenance
 - Manufacturing including CAD, CAM, CNL, PLC, ERP
 - GD&T and GD &T Advanced
- **OSHA and Safety training are currently restricted to First Responders and new employees**

Information Topics Discussed Friday, August 17th will include:

Eligibility ▪ How to apply for reimbursement funds
Contract types - Essential Skills & Advanced Technology ▪ Program changes for 2018-19

Do not miss your company's chance for funding - There is still time!

(The majority of the funding will be allocated by August 31, 2018.)

JOIN US FRIDAY AUGUST 17th 9:00 – 11:00am

**The Nextier Learning Center at Lenape Tech
2215 Chaplin Ave ▪ Ford City, PA ▪ 16226 ▪ 724-763-5915**
