

Professional Development Workshops Pricing Guide

On-Site On-the-Job Training (OJT) Workshops

On-the-Job Trainer workshops provide industry trainers with the knowledge they need to implement OJT programs at their own companies. Participants will learn the theory and practical skills necessary to become a NIMS Certified OJT Trainer and earn a NIMS credential.

Prerequisite: Experience as an on-the-job trainer or training supervisor

Number of Participants	One-Day Session	Two-Day Session
Up to 6	\$6,995.00	\$7,995.00
Per Additional (after first 6)	\$995.00/person	\$995.00/person

- The cost for the OJT Trainer credential is included in the above pricing.
- Volume and bulk discounted prices will be available to high volume testing locations. For super users with high volume, please contact NIMS for a quote.
