Name: Kristi Wilson

High School: Moniteau High School

Job Title: Journeyperson- Surface Grinder

What are your career goals:

My plan is to keep working and build up my retirement so I can enjoy life and help take care of my family. This feels like a really simple answer but family is what life is all about.

What are your hobbies now:

When I'm not working, you can usually find me on the boat, wakeboarding, watching hockey or working around the house.

What is the coolest thing about your Job:

The best part of my job is that I can honestly say I enjoy what I do. No two days are exactly the same. So it keeps my work interesting.

What did you want to be when you were a kid:

I remember wanting to be a famous singer. Well, it turns out that I am awful at singing. So it's a good thing I found something I am good at and love doing.
